"If I should attempt to kiss you," asked the young man, "would you scream for your mother?"

## DOING THEIR DUTY.

Scores Of Barre Readers Are Learning  
The Duty Of The Kidneys.

To filter the blood is the kidneys' duty. When they fail to do this the kidneys are sick.

Backache and many kidney ills follow. Urinary trouble, diabetes. Doan's Kidney Pills cure them all. Barre people endorse our claim.

Veteran Geo. W. Hunt (retired), Miles Block, says: "When I went to E. A. Brown's drug store in the winter of 1901, for Doan's Kidney Pills I had been subject to attacks of dragging, heavy pains in the small of my back, extending downwards. They were particularly in evidence after a hard day's work or if I exerted myself in any way. Many a night Mrs. Hunt rubbed my back with liniments and applied hot water for the slight ease those makeshifts afforded. I was so pleased at the respite I received from the almost constant pain that when Doan's Kidney Pills stopped it I endorsed them publicly. I have had no reason to alter my opinion in the interim. I can add to my own experience that of others who have used Doan's Kidney Pills and are just as enthusiastic about the benefit received as I."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.

Henrietta Crossman.

The double bill "Nance Oldfield" and "Madeline" in which Henrietta Crossman will appear at the Barre opera house, is one of the most popular in her repertoire. Combining as it does comedy and tragedy it gives Miss Crossman an opportunity to display her wonderful versatility. "Nance Oldfield" one of the most delightful of the old English comedies, is considered a classic. In it Miss Crossman has made one of her most pronounced successes. The tragedy of "Madeline" is by Mrs. W. K. Clifford of London, a writer of renown. It is powerful story of strong heart interest and has probably created more comment than any play yet produced by Miss Crossman.

Your stocks and bonds to the "SYSTEM" if you think best, but invest the proceeds in something that is conservatively organized and which pays good dividends. We believe there is nothing better than zinc investments. The metal is consumed like coal; cannot be used again like copper. The demand is far greater than the production.
